OFFICE OF The Engineer Officer, City Improvement Trust Board, Bangalore

Date 26th September 1945

The Additional Secretary

to the Government of Mysore, Bangalore

Sir,

Extending the Sadar Patrappa Road to link with Narasimharaja Road, Bangalore City

I have the honour to intimate that the City Municipality proposed to extend the Sadar Patrappa Road to link with Narasimharaja Road and requested the Assistant Engineer, Building Range to take necessary action to hand over an extent of 1131 syds of vacant Government land for the purpose

The Secretary, Town planning committee, Bargalore considers that it would be a grave mistake to continue the above road for vehicular traffic but a foot-path for pedestrians may be formed with a few rows of flowering avenue trees

However, the land referred to above will be required by the Trust Board in connection with the proposed new layout in the area and therefore Government orders may kindly be obtained to transfer the area into the Trust Board

The file of records on the subject is
